Friday 24<sup>th</sup> January 2025

## Dear Families,

Welcome to the Jubilee Year! Today we have joined all Catholic Schools in England and Wales to officially celebrate the start of the Jubilee Year of HOPE. In school this week we have been looking at the lives of inspiring Catholics who have filled us with HOPE. On Monday we met in our House Groups to reflect on our hope for the coming year. We joined all these hopes together and created our door of HOPE in school which will be our special door throughout the year. Today your child will bring home a card for you as a family to create your HOPES for the coming year. Please fill this in as a family and place it somewhere special at home. Each week we will be sharing prayers and reflections for you, so that as a community we can come together and pray for our individual hopes, our community hopes and hopes for our world.

What are your HOPES for your family this Jubilee Year?
