Dear Families,

We are absolutely delighted to share some very special news from our school family. Congratulations to Mr and Mrs Hooley on the birth of their son George Alexander Hooley - what a beautiful name! We're also thrilled to congratulate Mrs and Mr Wheeler, whose baby boy arrived today. These precious additions bring such joy to our community, and we're sending all our love and best wishes to both families during this special time.

Tomorrow brings one of our favourite events of the year - the **Market Harborough Carnival**! We hope to see lots of you there. Thank to Mrs Amphlett for her artistic skills and vision for the float this year.

Thank you also to Mrs Wright (one of our parents) for her generous support with these preparations. The children had a fantastic day on Wednesday - our Carnival Create Day! Every child in school has contributed to our design this year. Please look out for our float 'Love makes the world go round' - it's going to be absolutely wonderful.

Just a gentle reminder that homework projects need to be handed in to class teachers on Monday. Don't forget our Open Classrooms on Thursday 19th June from 8:40am-9:30am to celebrate the children's learning this term, followed by refreshments and our project exhibition in the hall from 9:30am.

Moments of Pride

With great pride, we can announce that St Joseph's will once again be partnering with **Harborough District Council** to provide **Commons Car Park permits for all our families**. This continued collaboration is wonderful benefit to our school community, and we're so pleased to be able to offer this support again.

Even more exciting—this year, we're bringing back our **Parking Permit Design Competition**! All children are warmly invited to take part by creating a unique design or picture. The winning artwork will be featured on next year's official permit! To enter, simply email a photo or scan of your child's artwork to school.office@stjosephs.leics.sch.uk by **Monday 30th June**. We can't wait to see the imagination and creativity of our young artists shine once again!
