Dear Families,

First and foremost, we want to express our heartfelt appreciation for your fantastic children. Their enthusiasm, curiosity, and dedication to learning never cease to amaze us. Every day, they bring joy and energy to our classrooms, reminding us why we are passionate about education.

We are also blessed with our incredible staff, who show unwavering commitment to excellence. Their tireless efforts, creativity, and care have been instrumental in nurturing our children's potential and creating in a vibrant learning environment.

Last but certainly not least, we extend our sincere gratitude to all our wonderful parents and carers. Your support, involvement, and partnership have been invaluable in ensuring the success of our school community.

Our final congratulations goes to **Alfie Amis** who has been awarded the **Matthew Liddle Cup** this year. This cup is awarded to the person who has achieved the most crests over the academic year, acknowledging their dedication to being the best that they can be both personally and academically. Alfie achieved **340** crests this year. Well done!

As we look forward to the summer break, we would like to wish Mrs Liddle a very happy and relaxing retirement. The love and support she has given to our children and families will leave a lasting impression for many, many years. We also send our best wishes to Mrs Tice, thank you for taking such good care of the Foundation children. You will both be so missed.

Thank you all for making this academic year truly special. We look forward to welcoming you back refreshed and ready for new opportunities in the coming term. We hope that everyone takes the opportunity to rest, recharge, and create lasting memories with loved ones.
