### Dear Families,

Welcome back to another exciting school year at St Joseph's! We are thrilled to have our children back and are looking forward to a year full of learning, growth, and fun. As we start this year, we thank you for your continued support and collaboration in our school family. Together, we will make this year a memorable one for our entire community.

God bless,

### Highlights

#### St Joseph's Journey

What a wonderful start to the new year we have had... it has been so heart-warming to see how hard the children are working in class and showing 'super walking' around school. They have loved hearing our message for the new year... **'It's all about you - focussing on U in OUR TEAM.'**

We have talked about our St Joseph's family being like a giant puzzle, with their individual piece being crucial to complete the picture that we want to make... to be the best school! The children have been given the mission to look after their piece of the puzzle, by being kind, working hard and making the right choices so that we can work together on our St Joseph's Journey.

#### Fantastic Foundation

We are so proud of the Foundation children who have already joined us this week - they have made a great start to their St Joseph's Journey! We look forward to welcoming the full cohort over the next week.
