# Year 3 Curriculum Lent Term

## **RSHE**

### LKS2 Module 2, Unit 1:

Story Sessions: Jesus, My Friend.

### LKS2 Module 2, Unit 2:

Session 1: Family, Friends and Others...

Session 2: When Things Feel Bad.

### LSK2 Module 2, Unit 3:

Session 1: Sharing Online.

Session 2: Chatting Online.

### LSK2 Module 2, Unit 4:

Session 1: Safe in My Body.

Session 2: Drugs, Alcohol and Tobacco.

Session 3: First Aid Heroes.

Session 4: Rights and Responsibilities.

### Login details are as follows:

Parent Portal: [www.tentenresources.co.uk/parent-portal/](http://www.tentenresources.co.uk/parent-portal/)

Username: st-joseph-le16

Password: blue-door-4

## **Art**

### Ammonite:

- Exploring ammonites
- Using sketching, printmaking and sculpture.

## **DT**

### Making it Move:

- Machines and mechanisms
- How cams work
- Design and make an automaton toy.

## **PE**

### Netball:

- Pass and catch a netball.
- To dodge and mark
- Shoot a netball.

### Cricket:

- Bowl underarm and overarm.
- Be able to catch and bat correctly.

## **French**

### What are the names of 10 animals in French?

- Learn 10 animal names with the correct determiner.
- Begin to spell the 10 animals
- Explore and understand better the role of the indefinite article / determiner in French.
- Learn how to use the first person conjugated verb 'je suis' (I am) in French.

## **Computing**

### Programming A - Sequencing sounds.

We will be looking at the concept sequencing in programming through Scratch

- Introduction to Scratch.
- Programming sprites.
- Sequences.
- Ordering commands.
- Making an instrument.

## **Geography.**

We will be looking at physical and human geography. We will be learning about:

- What are the layers of the Earth,
- How do plate tectonics change the landscape around us?

### How to use the learning at home:

- Make it fun – play games (Globe-game.com is a favourite)
- Use an atlas or globe– children love this– can you find Poland? Can you find a country that is next to France? Can you find me a country in Africa?
- Use digital maps to locate different volcanoes in the world. Also to locate each continent and discover what countries are in each continent
