Dear Families,

Yesterday was full of excitement as we celebrated World Book Day and the children looked fantastic! Thank you to everyone who helped bring favourite book characters to life and make the day so memorable for the children.

That same creativity and enthusiasm has continued throughout the week as children have been putting the finishing touches to their projects. We have seen a wide range of imaginative and carefully presented work coming into school, and the children are incredibly proud of what they have created. They are now very excited about the opportunity to share their work with you.

We warmly invite you to our **Open Classrooms** on **Tuesday 10th March**. Please join your child in their classroom from 8:40-9:30am, where they will be delighted to show you their projects and talk about their learning. Afterwards, refreshments will be available in the hall, providing a lovely opportunity to view projects from across the school and celebrate the fantastic work taking place in all year groups.

Thank you for your continued support.
Wishing you a wonderful weekend, Mrs Dabbs

St Joseph Feast Day

We are looking forward to celebrating our **St Joseph's Feast Day on Thursday 19th March** which is always a very special occasion in the life of our school community. To mark this important day, we warmly invite all of our families to join us for Mass at 10am in Church. We look forward to marking the day together in prayer and reflection, while also enjoying the opportunity to celebrate what makes our school such a special place for our children to learn and grow.
